HABITAT FOR HUMANITY

BUILDING HOPE FOR HUMANITY

10 years.
\$1.9 million raised.
95 homes built.
41,700 volunteer hours donated.
Countless dreams achieved.

Help us build even more hope for humanity in 2009!

Now through September 25, Coldwell Banker Residential Brokerage offices throughout Northern California are uniting for our 11th annual Habitat for Humanity fundraising raffle*, *Building Hope for Humanity*, to help raise money for Northern California Habitat for Humanity organizations.

We invite you to help us *build hope for humanity* by purchasing a \$2 raffle ticket in support of Habitat for Humanity. In return, you will be entered into a raffle drawing with the opportunity to win a host of fabulous prizes, including the grand prize of \$5,000 generously donated by mortgage banker Princeton Capital.

Together, we can help make the dream of homeownership a reality for deserving families.
